

Consent to the processing of personal data of job applicants for the purpose of further (and repeated) contacting by the MMCI, in case of offering other vacancies and participation in other selection processes

In the event of my non-recruitment, I agree with the storage of my personal data (name, surname, e-mail, telephone number, educational data, additional information, data stated in the CV) by the Masaryk Memorial Cancer Institute (Company ID: 00209805), as an administrator, for a period of 1 year in the MMCI Job Candidate Database for the purpose of further (and repeated) contacting by the MMCI, in the case offering of other vacancies and participation in other selection processes.

I acknowledge that I can withdraw my consent at any time without giving reasons in the ways listed below, see Information on withdrawal of consent to the processing of personal data. Withdrawal of consent, however, will not affect the lawfulness of the processing carried out by the administrator until the consent is withdrawn.

The processing of personal data is carried out only by the Administrator and the legal basis for the processing of my personal data for the above purpose is this consent.

I declare that the granting of this consent is voluntary, i.e. the granting of consent was not conditional on the performance or conclusion of a contract or the provision of another service by the administrator.

I hereby also acknowledge that the MMCI has adopted the principles of personal data protection which can be found in its Statement on the Processing of Personal Data. It is available on the www.mou.cz in the section Documents – GDPR and Personal Data Protection where I can read more about the processing of personal data and my rights. I can also contact the Data Protection Officer at any time at dpo@mou.cz. Up-to-date information about the DPO can be found on www.mou.cz or in the Information on the Processing of Personal Data of Persons Applying for a Job at the MMCI.

I acknowledge that this consent will be kept by the MMCI for 6 months from the date of exclusion from the MMCI Job Candidate Database.
